Do You Remember . . .

That first day of school . . . Basketball games . . . Juniors sporting their rings . . . S.C.A. meetings . . . Snow days . . . Glee Club practice . . . May Day Dance . . . Baseball and Softball games . . . Final exams and grades . . . Seniors . . . Graduation?

These numerous incidents have been a part of the school year of 1964-1965 at Charles City. Our staff has tried to capture these events for you in this yearbook. Whether you are a freshman, a sophomore, a junior, or a senior, here is your 1965 CHARLES CITIAN . . . a preserved portrait of a priceless year.

Tied within the woven threads of school years are deep friendships, knowledge, and morals which will remain with us always. Our high school education has truly been a pleasant and fulfilling step in our lives. We are now reaching this first significant goal and will begin to approach a higher one seeking additional values and knowledge. This all important step, however, was only completed with the unselfish guidance of our teachers, parents, and friends.

Within the pages of this CHARLES CITIAN we have tried to collect memories of those persons and activities through pictures and words which will help us in years to come to easily recall those things which were so pleasant and vital in the formative years of our youth.

Therefore, to those leaving, may the 1965 CHARLES CITIAN serve to remind you of a wonderful year. To those who have supported us in numerous ways, may the 1965 CHARLES CITIAN be an expression of our appreciation. To those who stay behind waiting for the year they will be Seniors, may the 1965 CHARLES CITIAN inspire you to live your high school life to its fullest both in meaning and purpose.

Colonel Edward W. Eanes

A principal has a unique place in a society. He must face the problems of an entire community. His position requires greatness in the making of decisions, in the projection of broad vision, in the solving of problems, and in remaining big in the face of criticism.

Colonel Eanes possesses these qualities of greatness which enable him to make wise decisions which often are not the easiest, to see beyond the present and plan for the crucial educational demands of the future, to tackle problems which do not have quick and easy solutions, and to maintain personal dignity in all adversity.

We know him as a person whose principles and integrity have served both him and each of us as a guide in our education and daily life. We will always remember him and are deeply grateful for his loyalty to the student body, his guidance, his leadership through the years, and his unfaltering faith in us.

His desire to give and receive knowledge has been expressed through the endless hours which he has devoted to the students. Any problem, large or small, always gets the same friendly, intelligent consideration. During the years his love grows and radiates into the life of every pupil. His ideals of character and honesty offer a life-long pattern for honor and success.

He is one who has a great faith, hope, and trust in young people as individuals of honor. The high standards which he has set for himself in his life are those which he unceasingly aids the student to achieve. He has infused all that we have done with his deep understanding, patience, wisdom, and genuine friendship.

Because of his high purposes, sincerity, and warm personality which have won the admiration and loyalty of us all, we proudly and affectionately, dedicate the 1965 CHARLES CITIAN to Colonel Edward W. Eanes.

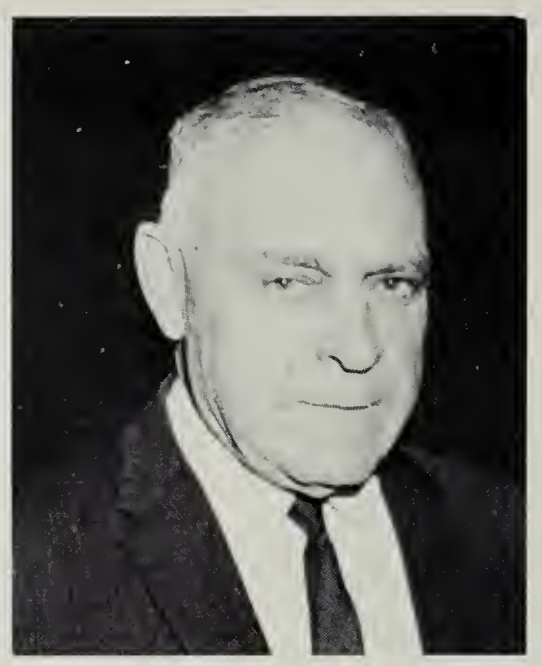
Caught In The Act

Mr. Eanes is caught in the act of pleading with the faculty as they continue their lunch. "Please, stop your grinning and tell me who took my lunch."

Administration

Mr. Edward W. Eanes



Mr. Byrd Long

Dear Seniors:

You are now leaving this school, perhaps, with a feeling that you have suddenly grown up and are entering the door of adulthood. Youth and youthful things are now to become mere memories.

May I remind you, however, that youth is not a time of life but a state of mind. One of the greatest credits you can bring to this school is to keep your youth as a quality of the imagination and a vigor of the emotions. From such youthfulness ever comes those true qualities of greatness - the triumph of courage over timidity and a continuing appetite for adventure over the love of ease.

Always remember that years of age is not your true age. You grow old only when you have deserted your ideals. Time may wrinkle your skin but not your soul. Your love of wonder and for the joy of the game of life will continue your youthful zest for life. Remain receptive to beauty, hope, cheer, courage, grandeur and power from the infinite, and you will never be aged by pessimism or cynicism. Maturity is not an aging process, but, rather, a matter of sound judgment, balanced emotions, and a will toward true goodness.

We who remain here have faith in your ability to remain young in spirit.

Sincerely,
Edward W. Eanes

The Members of the Senior Class

Margaret Louise Bobb

"Margaret"

After receiving my seventh grade diploma I enthusiastically entered the eighth grade. While in the eighth grade, I was the class secretary and participated in the Glee Club, Science Club, Library Club, Dramatic Club, Pep Club, and in the S.C.A.

During my freshman year of high school, I was on the basketball and softball team, in the Glee Club, Science Club, Library Club, Pep Club, and the S.C.A.

Our sophomore year was filled with much excitement--especially in ordering our class rings. That year I was chosen to walk in the May Court. The Clubs that I participated in are as follows: the Pep Club, Glee Club, Dramatic Club, and the S.C.A., including basketball and softball. Again I held the class office of secretary.

In our junior year we realized the responsibility of high school students as we moved into Mrs. Richardson's homeroom. That year I was the class vice-president. I was active in the S.C.A., Dramatic Club, Glee Club, Pep Club, S.C.A. Representative, Junior Representative for annual, and was a member of the basketball and softball team. I had the honor of being selected to represent our school at Virginia Girls State.

Our Senior year is filled with hard work. I am a member of the S.C.A., Pep Club, basketball and softball team, and as a member of the annual staff, I perform the duties of one of the Co-editors. Also, I was chosen to walk in May Court and to be class secretary.

RICHARD W. FLOURNOY

Mary Belle Hughes

"Mary Belle"

My first year I belonged to the Glee Club, the S.C.A., was vice-president of my class, and was chosen to walk in the May Court.

In my second year, I sang in the Glee Club and was in the Dramatics Club, the Science Club, the Library Club, class secretary, and was in the S.C.A. I was initiated into the Beta Club. I played on the basketball and softball teams and was chosen cheerleader.

In my sophomore year I sang in the Glee Club, acted in the Dramatic Club, and played on the basketball and softball teams. I was a member of the Library Club, Beta Club, and cheerleading squad. I held the office of president of the Science Club, the class, and was on the Student Council.

My junior year was truly a busy year. I held the office of president in the Music Club, the Dramatic Club, and the class. I also served as secretary of the Honor Council. I was a member of the Glee Club, the Library Club, the Science Club, and Beta Club, the Pep Club, the MonogramClub, and the annual staff. I was on the softball team and was a cheerleader.

Here I am finishing my last year of my high school. It, too, is a busy year as Beta Club president, Science Club president, co-editor of the annual, and captain of the cheerleaders. I am still singing in the chorus and am a member of the newly formed Forensic Club, the Monogram Club, and the Pep Club. To end a terrific year and most rewarding education I was chosen Maid of Honor in our May Court.

Imogene Rose Nantz

"Jeannie"

Looking back five years, I see myself entering the eighth grade and participating only in the S.C.A.

During my freshman year I participated in the S.C.A., Glee Club, Dramatic Club, Science Club, Pep Club, and Softball.

My sophomore year found me in the S.C.A., Glee Club, Dramatic Club, Science Club, Pep Club, and Basketball.

In my junior year I belonged to the S.C.A., Glee Club, Pep Club, and Basketball team.

As a senior I was in the S.C.A., Choral Group, Safety Patrol, May Court, and business manager for the annual.

Elmer Howell Peterson

"Jerry"

During the school year of 1960-61, I came into high school. I participated in a great many things. I assisted in the May Day program. I also sang in the Glee Club, was a member of the Safety Patrol, and the Library Club. I helped the elementary teachers on the playground.

Then I became a freshman during 1961-62. I again sang in the Glee Club, was in the Library Club, Music Club, Science Club, and helped with May Day. And oh, I was back on the playground again. The children were known as "Jerry's Little People".

Suddenly in 1962-63, I was in the tenth grade with added responsibility. I was back on the Safety Patrol, in the Glee Club, the Music Club, the Library Club, the Science Club, and a Civil Defense volunteer. I was still on the playground. That year went quickly, but now came the years I had been waiting for.

In 1963-64, I became a "Dignified" junior. That year I will never forget. I was in the Glee Club, Safety Patrol, Music Club, Library Club, and was right back on the playground.

In 1964-65, I became a "Senior". Due to an illness, I was forced to stay at home and continue my studies there.

Sidney Lee Reynolds

"Sidney"

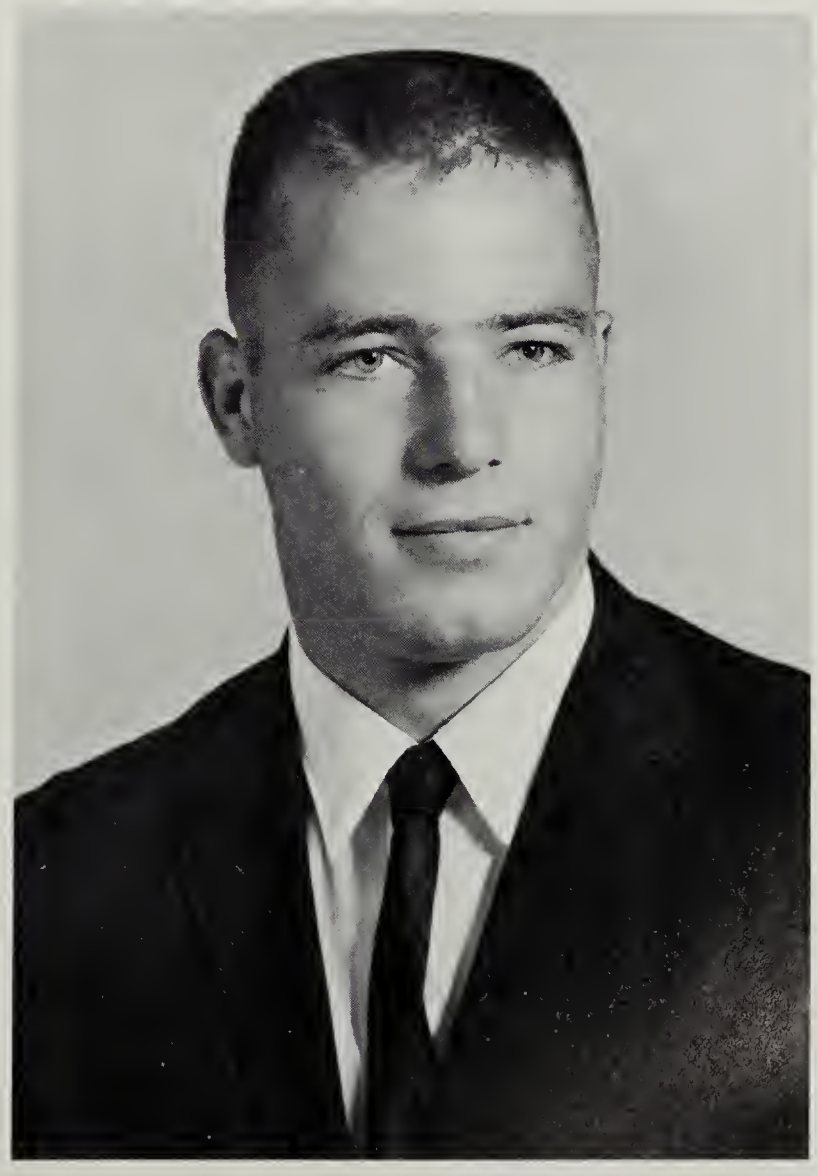
My first year in high school I belonged to only two organizations. They were the S.C.A. and the F.F.A.

During my freshman year I was vice president of my class, in the S.C.A., and in the F.F.A. One of the priviledges of a freshman is participation in varsity sports, and I was on the baseball and basketball teams.

My sophomore year was a busy one. I was in the S.C.A., vice president of my class, in the K.V.G., in the Monogram Club, and in the Library Club. In sports I played football, basketball and baseball.

As I became a Junior I moved into Mrs. Richardson's homeroom. This year I was vice president of my class, president of the Library Club, on the S.C.A. Council, vice president of the S.C.A., in the Glee Club, on the Safety Patrol, and in the K.V.G. Again I was on the basketball team, baseball team, and the newly formed track team.

That all important year has come already, and I am involved in many school activities this year, too. President of the Honor Council, president of the Library Club, and president of the class are some of my responsibilities this year. I am a member of the annual staff, the Monogram Club, the Safety Council, and the S.C.A. Council. I am again participating in baseball, basketball, and track teams.



Patsy Ann Taylor

"Patsy"

In March of 1963, my parents decided to move. So move we did to a farm in Charles City County. I entered Charles City High School on March 18, 1963. That was the latter part of my sophomore year. I was a member of the S.C.A., the Library Club and the Science Club.

In my Junior year, I was a member of the S.C.A., the Dramatics Club, the Library Club in which I was chairman of the Library Club record hop. I also managed to stay on the softball team. In the early spring, I was nominated by my party, the L.P.'s, to run for president of the S.C.A. It was an exciting and interesting campaign. I was honored by the trust of the student body of Charles City High School.

Now in the fall of 1964, we are Seniors. I have assumed my duties as president of the student body. I was chosen Maid of Honor to our May Queen. I am vice-president of our great class. Also I am singing in our Chorus and speakin in our Forensic Club. And last, but not least, I am head of annual sales.

Dora Faye Yates

"Dora Faye"

While I was a sophomore, I was a member of the Library Club, the Beta Club, the Dramatics Club, the S.C.A., and the softball team.

During my junior year in high school, I was a member of the Library Club, Beta Club, the Dramatics Club, and the S.C.A., I also managed the girls basketball team.

May Day

The day we all look forward to . . . May Day. The lovely queen and her court, the flower girls, the beautiful gowns and the fragrant flowers are some of the lasting memories of this festive day.

Boys and Girls State

Margaret Bobb and Michael Minter were selected by the faculty last spring to attend Girls and Boys State. These delegates, as others from Virginia, were selected on the basis of leadership, character, courage, honesty, scholarship, co-operativeness, and physical fitness. Boys State was held at William and Mary College, Williamsburg, Virginia and Girls State at Radford College, Radford, Virginia. Here each learned the fundamentals of Virginia government and the responsibilities of being a citizen.

Tobacco Festival Parade

The Charles City Indians went on the warpath again this year in the Tobacco Festival parade. Here the braves and squaws whoop it up as they move along the parade route. The cheerleaders mounted on Sammy Adams' pony were led through the streets of Richmond by Chief, Jimmy Richardson.

Student Cooperative Association

The S.C.A. has been working hard this year meeting our state requirements, performing numerous duties, and reaching some of our goals.

Our first project was sponsoring and encouraging a greater membership in our parent organization, the P.T.A. Other community projects have been Sheltering Arms donations, March of Dimes contributions, and donations of toys to the Charles City Welfare Department.

Fund raising projects have been the sale of magazines and a record hop. The S.C.A. sponsored a high school-wide Christmas party for the first time this year.

In the school we have tried to develop individual responsibility through participation and membership in the Junior Red Cross. The Honor Council has sought to lead us in developing integrity and a sense of self-responsibility.

Caught In The Act

A very effective technique was developed this year to sell ads. Here Dora Faye, Joan Lea, Mary Belle, Patsy, and Margaret are caught in the act of persuading Mr. George Haupt to support our annual.

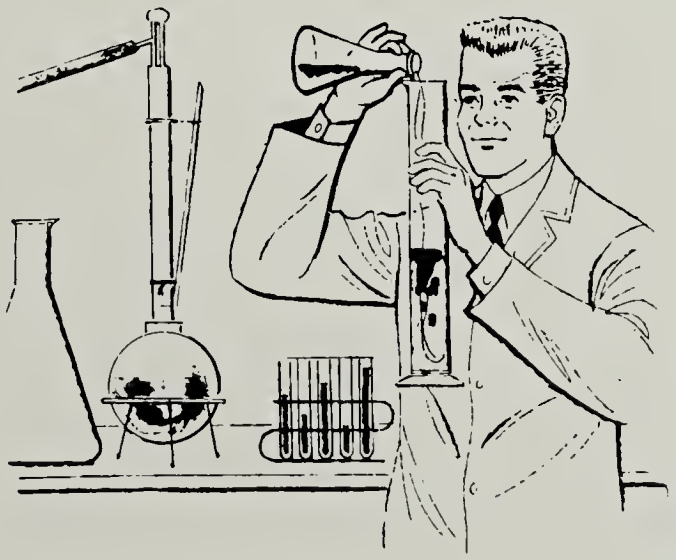
Paper and Careers *for the future*



TODAY there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now the fifth largest in the country . . . and why it needs trained researchers and technicians for future growth.

Our company, a pioneer kraft manufacturer, joins with other mills in sponsoring college scholarships in paper technology. It also offers scholarships for study in a subject of the student's choice. For information, write: Public Relations Department —

The Mad House Gang

Here we are, the staff of the 1965 CHARLES CITIAN caught in the act of complete confusion. When we began none of us could imagine the work and time that must be put into our annual. But we found out quickly!

There were times when we could have torn up every page (and there were times when we did) and there were times when we experienced that wonderful feeling of satisfaction of having done a job well.

We are indebted to Mr. Crews for his patience and willingness to work with us in editing our annual. We could have never completed our great senior task without him. We would like to take this space to thank him for everything!

To the seniors of 1966, we wish them the best of luck with their annual.

Delmar PRINTING COMPANY • Charlotte, N.C.

Dear Weasel,

It has been a great year throwing eggs with you in Biology class. You are best skinny-weasel I know. Don't be good and I'll see you next year as a "Junior!"

Rots of Ruck,

Bonnie

P.S. When you get married + live down south, remember me and my big mouth.

Lyle,

Glad to have you back at school and hope you will stay with us the rest of this and next year. Keep improving in Basketball and you might make first string. Control your temper around Susan and don't cause anyone to have any stitches. Hope to see you next year and be good.

Love,
Gomer (MP)

Lyle,

Il a eu beau dans la classe français, n'est-ce pas? Je veux pour vous le mieux de tout vous faites. Restez aussi gentil et beau que vous êtes maintenant et vous irez loin.

Dear Lyle,

I suppose we know each other better this year than before. Perhaps it's because of classes together - but mostly because you and Will are friends. Good luck in all you do, and keep your same friendliness and you will go far.

It's been a pleasure knowing you.

Bye

Lyle,

I guess you could say it has been nice being in class with you this year. We were really something being Sophomores weren't we? We will even be bigger next year being great "Juniors". Remember that great Homeroom teacher of ours. I don't guess you can forget your 3 day Vacation. I hope you had fun.

We came look forward to being in Mrs. Richardson's home room together.

Best Wishes and Good Luck in the Future with (-.-.-.).

Brenda

P.S.

As you slide down the banster of life don't get a splinter stuck in your caver.

Lyle,
I have been in a lot of fun being in school with you this year. I hope we have a fun next year as Juniors. Good luck.
Janet

Dear Lyle,
It has been so nice with you this year. I hope to see you next year. Do as well in the future as you have done in the past.
You are a good friend who doesn't mind doing a friend a good favor.
